GREAT MEETINGS: AGENDA

WHAT IS A GREAT MEETING? Great Meetings drive change. They leverage small groups of people to make decisions and transform those decisions into concrete actions. Start with the **Agenda** (this page). During the meeting, maintain focus on the objective and define an **Action Plan** (next page). Follow the **Guidelines** (next page) to keep meetings on track.

| Objective | A clearly written statement of the meeting goal. Simple and focused. Defines a win. Deliver the objective and win the meeting. |

| Participants | The Leader moderates the meeting, keeps it positive, on track, and ends it on time. The Note Taker records the draft decision and actions. Other Participants are pared back to those with valuable insights or a strong stake in the outcome. |
