STOP EVENT LOG	Crew:	Date:	Shift:
----------------	-------	-------	--------

Each time the constraint is stopped for five minutes or longer, record the start and end time of the stop, as well as a reason number. At the end of the shift, calculate the number of minutes for each stop and total the stop minutes for the shift.

Start Time	End Time	Reason Number	Notes	Minutes
	l		Total Stop Minutes (Shift)	

REASONS

This is a list of stop reasons to be used for this process. You can optionally total the minutes for each reason from the log sheet above.

Reason	Minutes	Reason	Minutes	Reason	Minutes
1.		11.		21.	
2.		12.		22.	
3.		13.		23.	
4.		14.		24.	
5.		15.		25.	
6.		16.		26.	
7.		17.		27.	
8.		18.		28.	
9.		19.		29.	
10.		20.		30. All Other Losses
